## Vorspiel

1. When the

## Strophe

night is dark and the moon shines bright, when I see the stars, then I  
sit at home in my room, then I have no-body then I  
think of you. I'll be with you, I want kiss you, and  
kis - ses me. I must talk to you, what has hap - pend, what  
talk to you. When I know that you are here, then the  
more do you want? I hope you'll come back to me, then the  
day is be-gin-ning for me, just for me.  
day would be-gin just for me, just for me.

2. When I I am

Refrain

lost in thoughts, I think of you. You are meant for me, don't you think so? But

we are se-pe-ra-ted now. I must al-ways think a-bout the past. The

past when we were to - ge - ther, to - ge - - ther.

3. Please come

3. Strophe :

Please come back to me forever again,  
 because it's senseless to leave me like this.  
 If you don't mind, please come back to me, please get in the spaceship  
 of love and fly to me, then the day would begin just for me, just for me.

4. Strophe :

When the day is warm and the sun shines bright,  
 when I see the flowers then I think of you!  
 I'll be with you, I will kiss you and talk to you.  
 But I know that you'll come back, you'll come never back to me, to me.
